Experience

2024 - Present

Bellboy Group | Bardak

Bartender

- Worked as a bartender in a professional cocktail bar setting.
- Provided excellent customer service by tending to patrons' drinks orders efficiently and catered to their tastes.
- Created unique and innovate cocktails to enhance the bar menu offerings.
- Trained new bartenders on bar procedures and best practices for customer service.

2022 - 2024

Legacy Heritage Fund

Graphic Designer

- Created visually appealing designs for printed materials such as posters and books.
- Collaborated with clients to understand their design needs and deliver solutions that meet their expectations.
- Produced digital assets for websites and social media platforms, optimizing user experience and engagement.

2020 - 2022

IDF

Clinic Administrator

- Managed daily operations of a medical office, including scheduling appointments and coordinating long term care services.
- Administered electronic health record systems and trained staff on proper usage.
- Implemented quality improvement initiatives to enhance patient satisfaction and drive positive clinical outcomes.
